

Bringing the cultures, tastes and unique Holland America Line experiences to life, both on board and off.

Guest Speaker Series: More Alien Than Mars: The Skies of the Southern Hemisphere · 10:00am

QUEEN'S LOUNGE, 4 & 5

Guest Speaker Dan Benedict presents information on the Southern Hemisphere. For those who know only the skies above North America and Europe, the stars and constellations you would see from the martian north pole would be more familiar than the stars and constellations you'll see in the southern hemisphere.
