## Tendering Procedures

Guests wishing to go ashore today will do so by tenders. The duration of the tender ride is approximately 10 minutes. Please follow the instructions of the crew at all times. Please remain seated while the boat is moving. Kindly note that smoking is not permitted at any time in the tenders. We would like to remind our guests to use caution and watch your step while boarding the tenders. Accept the sailor's assistance while stepping on or off the tender, and hold on to a handrail while locating your seat. Once aboard the tender please remain seated until it has been secured to the platform and instructions given to proceed with disembarking the tender.

### Mobility Assistance

Guests requiring mobility assistance (canes, walkers, wheel chairs, or scooters) are advised that today's tender operation both alongside the ship and shore side may present challenges. Please note that you **must** be able to walk under your own power to access the tenders via the forward gangway, which is steep. Mobility devices, except those which can be lifted by a single person, will not be allowed ashore for logistical reasons, as well as for the safety of those involved providing assistance.

### Guests Booked On a Morning Shore Excursion(s)

Please follow the information on your Shore Excursions ticket(s). Enter the Queen's Lounge, 4 on the starboard side and relax in one of the chairs provided. Remain in the lounge until your tour is called to depart.

### Guests Not Booked On a Morning Shore Excursion(s)

Tender tickets will be available starting at 8:00am. Once you are completely ready to go ashore, proceed to the entrance of the Wajang Theatre, 4 to collect a tender ticket from one of the On Location Team Members. Please remain in public areas until your tender ticket number has been called via the PA system. Do not approach the gangway area until your tender ticket number has been called.

### 4 and 5 star Mariner Guests, President's Club Guests & Pinnacle and Neptune Suite Guests (Deck 7) Not Booked on a Shore Excursion(s)

If you plan to go ashore independently, before open tendering, you are not required to collect a tender ticket and may proceed directly to the Aft gangway by way of Deck 1 upon clearance until the open tender announcement. When you reach the gangway, located on A deck aft simply identify yourself by showing your guest ID and you will be directed to the soonest available tender. (Note: tender priority program operation subject to change based on local conditions)
