Tendering Procedures

Guests wishing to go ashore today will do so by tender. The duration of the tender ride is approximately 15 minutes. Due to logistical limitations of our resources today, we will **not** be able to offer priority tender services. Therefore, **only** guests who have an appropriate tender ticket number, will be permitted access to the forward elevators and/or tender boarding area on A-deck forward. Do note that the total tender capacity is strictly dictated by the weather circumstances.

Please follow the instructions of the crew at all times, remain seated while the tender is moving and use caution when boarding or leaving the tenders. Note that smoking is not permitted at any time in the tenders.

Mobility Assistance

Guests requiring mobility assistance (canes and walkers) are advised that today's tender operation both alongside the ship and shore side will present challenges. Please note that you **must** be able to walk under your own power to access the tenders via the forward gangway, which is steep. Wheelchairs and scooters will not be allowed ashore for logistical reasons, as well as for the safety of those involved providing assistance.

All Guests *including* 4 and 5 star Mariner Guests, Pinnacle and Neptune Suite Guests (Deck 7)

Tender tickets will be available starting at 11:30am. Once you are completely ready to go ashore, proceed to the entrance of the Wajang Theater, deck 4, to collect a tender ticket from one of the On Location team members. Please remain in public areas until your tender ticket number has been called via the PA system. Do not approach the gangway area until your tender ticket number has been called. Earlier access to the forward elevators and/or the tender boarding area on A-deck forward will not be permitted.
