Port Information

Spanish VAT Tax

During our stay in Spain, the government requires a 10% tax on all food and beverage sales. This tax will be automatically charged to your shipboard account while in a Spanish port of call, and will remain for the duration of our stay in Barcelona.

Local Transportation

Local Port Busses are available outside of the cruise terminal for a minimal fee, paid to the bus driver.

Going Ashore

Please have your guest identification card (stateroom keycard) ready to scan through the security system when leaving and re-boarding the vessel. You will also need to carry with you a form of government issued photo ID. As a friendly reminder when ashore in our ports of call, always be conscious of your surroundings and personal belongings, especially on public transport and bus stops near and around the Cruise Terminals. Please be cautious to not carry wallets in back pockets and have your handbags zipped and closed at all times.
